Certificate of Internship

This is to certify that

_____

has successfully completed a **six-week internship** at **DASHit** as a **Full-Stack & Mobile App Development Intern**, from _____ to _____. During this period, the intern worked directly on the core product team to design, build and launch the **DASHit quick-commerce platform**: a fully functional grocery and essentials delivery service for Anantnag, live on the web, Android and iOS, with real-time order tracking, online payments and a complete operations console.

KEY CONTRIBUTIONS

01 **Customer Storefront**
Product catalogue, search, categories, cart, checkout and home-screen deals in Next.js & React.

02 **Real-Time Order Tracking**
Live order status, map-based delivery tracking and notifications on Firebase Firestore.

03 **Payments, Wallet & Offers**
Razorpay online payments, coupons, scheduled sales and customer wallet credits.

04 **Secure Authentication**
Mobile-number OTP and Google sign-in with Firebase Auth and hardened security rules.

05 **Admin & Delivery Partner Apps**
Order dispatch, inventory, sales analytics, store settings and the rider app.

06 **Native Mobile Release**
Android and iOS builds via Capacitor, prepared to Google Play and App Store standards.

Next.js · React · Tailwind CSS · Firebase Firestore · Firebase Auth · Capacitor · Android · iOS · Razorpay · Framer Motion

The platform was delivered **production-ready and fully functional** and is serving real customers. Throughout the internship, the intern showed strong technical ability, a keen eye for product quality, ownership of their work and a professional, dependable attitude. We are grateful for the contribution and wish them every success in their future endeavours.
