This is to certify that _____ worked with **DASHit** as a **Full-Stack & Mobile App Development Intern** in our Product & Engineering team for a period of **six (6) weeks**, from _____ to _____.

INTERNSHIP DETAILS

Designation	Full-Stack & Mobile App Development Intern
Department	Product & Engineering
Duration	Six (6) weeks
Location	Anantnag, Jammu & Kashmir
Reported to	Founder & CEO

RESPONSIBILITIES & CONTRIBUTIONS

- **Customer storefront:** built the product catalogue, search, categories, cart, checkout and home-screen deals in Next.js, React and Tailwind CSS.
- **Real-time order tracking:** implemented live order status, map-based delivery tracking and notifications on Firebase Firestore.
- **Payments & offers:** integrated Razorpay online payments, coupons, scheduled sales and customer wallet credits.
- **Authentication & security:** set up mobile-number OTP and Google sign-in with Firebase Auth, backed by database security rules.
- **Operations:** contributed to the admin console (orders, inventory, sales analytics, store settings) and the delivery partner app.
- **Mobile release:** prepared and tested the Android and iOS apps via Capacitor to Google Play and App Store standards.

The DASHit platform was delivered **production-ready and fully functional** and is live on the web, Android and iOS, serving customers in Anantnag. During the internship, the intern showed strong technical skill, sound problem-solving, attention to product quality and complete ownership of their work.

Their conduct throughout was professional, sincere and dependable. They have been relieved of their duties on the successful completion of the internship. We thank them for their contribution and wish them every success in their future career.
